OBJECTIVE: The Objective of this class is to prepare the student to become a skin care and makeup artist, to follow proper safety and sanitation procedures and to successfully complete the State and school requirements to become eligible for registration as a facial specialist with the State Board of Cosmetology (DPBR). The program includes 192.5 clock hours of classroom training (Academic Instruction), and 67.5 clock hours of service requirements (Practical Applications) under the supervision of a Facial Specialist licensed in Florida. (The terms Esthetician, Skin Care Professional, Facial Specialist are used interchangeably. The official State of Florida term is FACIAL SPECIALIST.) Hollywood Institute of Beauty Careers offers a Skin Care Program that prepares the student to meet the educational requirements of the Department of Business and Professional Regulations and Florida Administrative Code. Upon successful completion of the program, a diploma will be awarded.

PHYSICAL DEMANDS OF PROFESSION: Ability to sit or stand for long periods of time, manual dexterity, good eyesight, gentle steady hands, ability to distinguish color, and ability to advise clients with a friendly, courteous personality.

SAFETY REQUIREMENTS: Students will adhere to the highest standards of sanitation, sterilization, and caution with chemicals. Proper use of equipment and chemicals is essential to the well-being of the student as well as clients. All students are required to practice basic hygiene and come to class well-groomed and professional in appearance. All rules and regulations of Hollywood Institute of Beauty Careers must be followed.
